

Community Giving

In alignment with our core values, xantura undertakes an active programme of grant-making to national and international charities and not for profit organisations. The core theme behind our grant-making is child welfare and education, with specific organisations selected by staff.

Fund raising activities:

Corporate giving

xantura commits to provide a proportion of its pre-tax profits, annually to nominated charities and not for profit organisations.

Employee giving

Give As You Earn—xantura employees can voluntarily sign up to donate to charities of their choice through tax effective payroll giving.
